

# Streamer S125E Hand Held

## 160 SF/Hr. (15 M<sup>2</sup>)

**STREAMER**  
Premium Shotblasters

The IMPACTS STREAMER S125E is a small hand held, shot blasting machine that is designed for a variety of horizontal and vertical applications.

Its compact, strong design is especially suitable for shot peening of small areas on concrete, screed, and asphalt, as well as small steel surfaces. For vertical application, we recommend using a balancer.
