

Streamer S210E-40R

860 SF/Hr. (80 M²)

STREAMER
Premium Shotblasters

The IMPACTS S210E-40R is a very powerful, but compact and light weight mobile blast machine. The combination of the powerful wheel motor with an optimized separation system and the variable speed drive motor makes the machine very efficient.

S210E-40R is specially developed to achieve a high blasting performance on small and medium-sized areas.

Specifications
