

# COLOR CHART

## PREMIUM, COLOR PACKS

Smith's WSC Waterborne Solid Color Packs save inventory space by allowing the contractor to tint the coating as necessary while avoiding the left over factory tinted coatings.

## NON-REGULATED FREIGHT

Smith's WSC can be shipped via air freight without any HAZMAT fees, in the case of last minute needs.

## U.V. LIGHT STABLE

Smith's WSC resist chalking & fading.

## GOOD OPACITY

Smith's WSC Color Packs were developed to attain very good hide / opacity in the following Smith:

**Epoxy** FAST-CURE, WATERBORNE EPOXY PRIMER/SEALER

# FW3B

POLYURETHANE SEALER/PRIMER

# Poly-SEAL

POLYURETHANE  
Gloss / Low Sheen  
**Poly-WB**

*\*See individual product data sheets for each coating for mixing information and pigment loads which varies by coating product.*
